

Eric Anebajagan

CYBERSECURITY PROJECT MANAGER ENGINEER

PROFIL PERSONNEL

As a recent graduate in networks and cybersecurity from ESIEE Paris, I'm looking for my first permanent contract to develop my technical and organisational skills, with the ambition of moving into a position of responsibility in cybersecurity.

COORDONNÉES

- ✉ anebajagan.eric@gmail.com

- 🌐 <https://ericanebajagan.com>
- 🚗 Driving license + Personal vehicle
- 📍 Mobility, Île-de-France, Haut de France

CERTIFICATION

- CCNA2
- Project Management Certificate (Google)
- Jr Penetration Tester (TryHackMe)
- CEH & CCNA CyberOps (En cours)
- Voltaire French certificate (Engineering Level)

COMPÉTENCES

- **Bureautique** : Pack Office : Word, Excel, PowerPoint, Google Workspace
- **Informatique** : C, Java, Python, Sql, Assembleur, Bash, Active Directory, PowerShell, Matlab
- **Réseau** : Cisco Packet Tracer, WireShark, PuTTY, Proxy, IDS/IPS, VPN, Active Directory, VmWare, Docker
- **Protocoles réseau** : TCP/IP, OSPF, BGP, VLAN, DHCP, DNS, TLS/SSL, SSH
- **Sécurité** : DLP, WAF, EDR, EPP, SOAR, CSIRT, Threat Intelligence, Palo Alto, AES\SHA, Coq, IAM
- **Normes et réglementations** : ISO 27001, ISO 27005, RGPD, PSSI, NIS2, DORA, PCI-DSS, SOC 2, CIS Controls, Nist
- **Gestion de projet** : Agile, SMART, Scrum, Gantt chart, conflict management, Trello, Jira, KPIs
- **Langues** :
 - Anglais : B2
 - Italien : A2
 - Tamoul : C1
- **Qualités** : Rigorous, Curious, Proactive, Ambitious, Determined, Organized

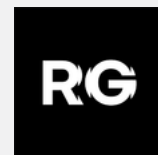

FORMATION

- Engineering degree Networks & Security - Architecture and the Internet of devices (09.24 - 9.27) **Esiee Paris**
- BUT GEII : Génie Electrique Informatique Industrielle (09.22 - 07.24) **CY Cergy Paris Université**

EXPÉRIENCE PROFESSIONNELLE

- APPRENTICE IT & CYBERSECURITY AUDITOR - RENAULT GROUP (09.25 - 07.27) **Renault Group- Boulogne-Billancourt**
- Technical analysis of information systems security
- Drafting of audit reports with ISO 27001 action plan
- Working in synergy with cybersecurity experts
- Participating in internal organisational audits
- APPRENTICE NETWORK & SECURITY PROJECT MANAGER - VALEO (09.24 - 07.25) **Valeo - Amiens**
- Project management in collaboration with R&D and IT teams
- Deployment of an optimized SCADA architecture for secure isolation of test benches under legacy operating systems
- Design and implementation of an advanced monitoring system for proactive equipment surveillance

PROJETS UNIVERSITAIRES

- Game Design Snake
Projet : Esiee Paris (04.25 - 06.25)
 - C language skills, memory management, file management
- Enterprise network infrastructure design
Projet : Autodidacte (04.25 - 05.25)
 - Management: EVE-NG, VmWare, Pfsense, Vlan, FireWall, AD DS VPN, Grafana
- Intrusion detection system
Projet : CY Cergy Paris Université (09.23 - 07.24)
 - Python & Raspberry Pi programming
 - PLC management, Sensor, Image processing

CENTRES D'INTRÊT

- Japanese animation
- Cinema (Marvel, Kollywood)
